FHWA/HEPI-10 :: December 2003

The map displays the Greenville, NC area, highlighting the National Highway System (NHS) routes. The city is shown as a large orange-shaded area. Major roads include I-95 (Eisenhower Interstate System) running north-south, US-264 (Other NHS Route) running east-west, and several local streets like Tenth St, Dickinson Av, and Greenville Blvd. The map also shows water bodies (light blue), railroads (grey lines with cross-ticks), and other features like the Norfolk Southern railway and the CSX Transportation facility. A legend on the left side of the map provides a key for the various symbols and colors used, including NHS route types, land use designations, and transportation facilities. A scale bar at the bottom left indicates distances in miles (0 to 4) and kilometers (0 to 4). A north arrow is also present.
